Sir:

Applicant is responding to the Office Action mailed December 22, 1993 with the following amendments and remarks. Applicant requests reconsideration of the application.

The applicant wishes to point out that the filing date of the present patent application is March 16, 1993. Please note typographical error in Examiner's response of 12/20/93 which states "June 16, 1993 is considered the effective filing date of this application".

#### IN THE SPECIFICATION

The reference on page 17 of the Application to another application was an error. The reference was supposed to be to the issued patent number 4,976,957 and should be so corrected.

In response to the Examiner's suggestion that a separate section entitled "Brief Description of the Drawings" be included in the specification, please add the following on page ~~9~~<sup>7</sup> before the section entitled "Example 1".
